How Gold is Valued

Gold value is based on three main factors:

- **Weight** (grams)
- **Purity** (e.g. 9ct, 14ct, 18ct, 24ct)
- **Current market price (spot price)**

Professional **gold buyers UK** use these factors to calculate your payout.

Where to Sell Gold in the UK

You have several options when deciding where to sell:

- Local jewellers
- Pawn shops
- Postal gold services
- Specialist online gold buyers

However, not all services offer the same level of trust or payout.
